To whom it may concern:

My name is Arvin Wells and I would like to say that as far as the Elder program, the Comanche tribe did a good job. The people CNHA hired were very courteous and helpful to me. The contractors asked me from start to finish if I needed any more help. The jobs that they did do was fantastic. I don't see how anyone could have done any better.

Let me say that as far as the Elder program goes, it's a great one because they did more than what I expected. I am very happy with it and I do appreciate it.

They all get A+'s!!
